Holders for PDAs, Handhelds

A PDA holder makes it easier and more fun to use your PDA in your vehicle. Keep your PDA in a holder and you will always have it in easy reach -safe and convenient!

With Tilt Swivel

All PDA holders are designed with a tilt swivel. The tilt swivel provides easy adjustment of your PDAs' position for better viewing.

High Quality

The holders have a perfect fit and provides a firm installation. It is easy to place the PDA in the holder, and to take it out of the holder.

A Wide Range of Products

The holders are customized for every different PDA model, and are available for most models on the market. A customized holder is usually ready when a new model appears on the market.

Many Alternatives

PDA holders are available with various features, from passive holders to more advanced solutions for fixed installation.

Attach onto ProClip

Attach the holder onto the ProClip Mounting Platform in your vehicle. The installation is quick and easy, and does not damage the interior.

Safer Driving

With your PDA in a holder, it is always within easy reach. Our goal is to provide you with convenient products and solutions, to give you a safer driving environment while driving and operating your equipment.
